Directions to Garner Osborne in Newbury from the M4 Motorway:

Exit the M4 motorway at Junction 13 and take the A34 South towards Newbury. Continue on the A34 (Newbury Bypass) for just over 1 mile. Take the second exit, signposted to Newbury A339 & Thatcham A4.

Travel along the A339 and go straight across the first roundabout (which forms the entrance to the new Vodafone headquarters). Continue to the first set of traffic lights and take the left lane (this junction is part of the kidney-shaped Robin Hood roundabout).

Keep in the left hand lane and take the second turning on your left, signposted Thatcham/Reading A4. Proceed along the A4 and pass through the next set of traffic lights. Continue to the roundabout and pass the BP garage on your left, going straight over.

As you approach the next set of traffic lights, move over to the far right lane to turn into Hambridge Road. Proceed over the bridge to the next roundabout and take the left turning to Hambridge Lane. About a 1/4 of a mile on your right is Hambridge Lane Business Centre. Garner Osborne Circuits is the end unit on your right.
